PRIMARY BIDS AND AWARDS COMMITTEE

SPECIAL BID BULLETIN NO. 01-2013

Subject: DETAILED ENGINEERING DESIGN AND CONSTRUCTION SUPERVISION FOR THE CEBU BUS RAPID TRANSIT PROJECT

TO ALL PROSPECTIVE BIDDERS:

Please find below the answer to a written query on the above-mentioned project.

	Query Submitted	BAC Answer
1	If one local firm participates with us as an associate firm for the mentioned project and we be awarded with the Contract to develop the Technical Assistance, in case that in the near future the Project becomes a PPP Project and call for bidders, can this local firm bid to be the Concessionaire or Operations and Maintenance (O&M) Operator? Or will they be disqualified due to their being part of the Detailed Design & Construction Supervision Technical Assistance?	<p>Under Section 2.3(a)(i) of the Request for Proposals (Instructions to Consultants and Data Sheet), the consultant for the Detailed Engineering Design (DED) and Construction Supervision (CS) will be disqualified from providing works for the Project. This prohibition would include bidding for the construction phase of the Project.</p> <p>Further, in the event that the DED and CS consultant will have access to information or knowledge of facts which may be construed as inherently advantageous to any firm or consortium which seeks to participate in a subsequent bidding for the operations and maintenance of the Project, then DOTC may exercise its right to request the DED and CS consultant to refrain from joining such consortium and from participating in such bidding process.</p>

For your guidance and information.

Issued this 26th day of March 2013.

ATTY. JOSE PERPETUO M. LOTILLA
Undersecretary for Legal Affairs
Chairman, Bids and Awards Committee
